Meet Sunny!

Sunny has been with us since August and is really hoping to find his forever home soon! Sunny is believed to be an adult male Yellow Labrador Retriever who is full of life and would love to find someone to be his adventure buddy! Whether it's going for walks, exploring the outdoors, or spending time with his people, Sunny is ready for it all!

Sunny would need a home with no other dogs, as he prefers to have his personal space respected. He can walk past other dogs and ignore them, but he isn't a fan of having other pups in his personal bubble or playing with other four legged friends. Sunny has so much love and personality to share! He has been patiently waiting for his person, and we would love nothing more than to see him finally find the loving home he deserves. Come meet Sunny today!

Volunteer Of The Month

We would like everyone to meet Arina!

Arina has been volunteering with our shelter for several years now, and she has been nothing short of a miracle for our animals! From helping at adoption events and walking dogs to transporting them wherever they need to go, Arina is always willing to step up. She has even gone above and beyond by creating incredible social media videos to help our animals get the exposure they deserve, reaching people and potential adopters across the world. Arina is truly selfless and has such a special way of showing up for the animals who need it most. Her dedication, compassion, and willingness to give her time and talents make such a difference in so many lives. Thank you Arina for always showing up, for giving the animals the love and care they deserve, and for using your platforms and creativity to help their stories be seen. We are so grateful for you!

SOUTH UTAH VALLEY ANIMAL SHELTER

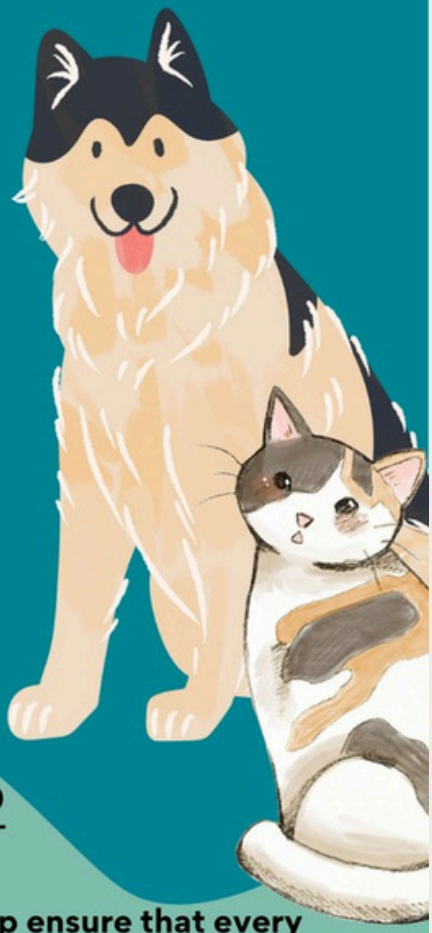

ADOPT A KENNEL.

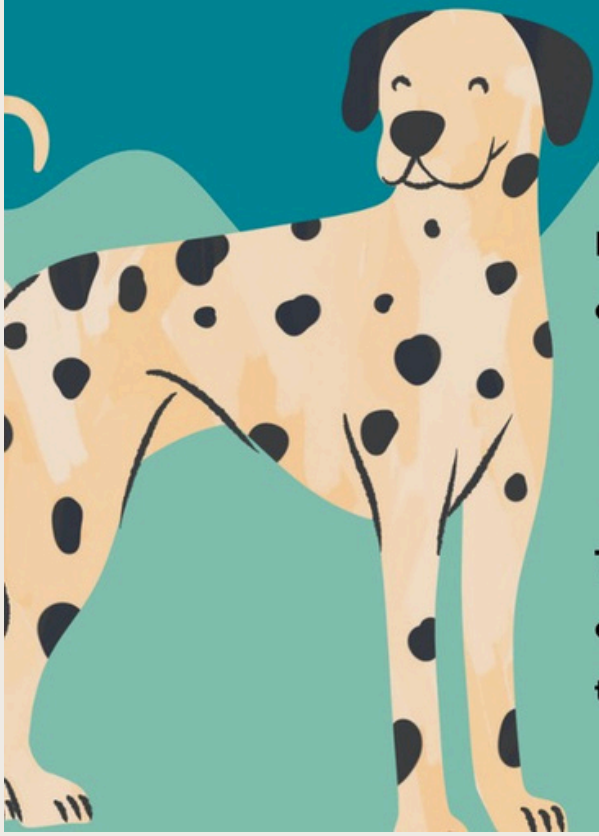

OVERVIEW

This is an opportunity for businesses and organizations to sponsor dog kennels during the 2026 operating year. Kennel sponsorship directly supports the care, adoption readiness, and medical needs of dogs while providing sponsors with high-visibility recognition to an audience of over 10,000 visitors annually.

Each sponsored kennel contributes to:

- Adoption support for every dog housed in that kennel
- Spay/neuter services
- Essential medical care

IMPACT OF SPONSORSHIP

By sponsoring a kennel, partners help ensure that every dog housed in that kennel receives:

- **Adoption fee sponsored for each dog in that kennel**
- **Spay or neuter services**
- **Necessary medical treatment**

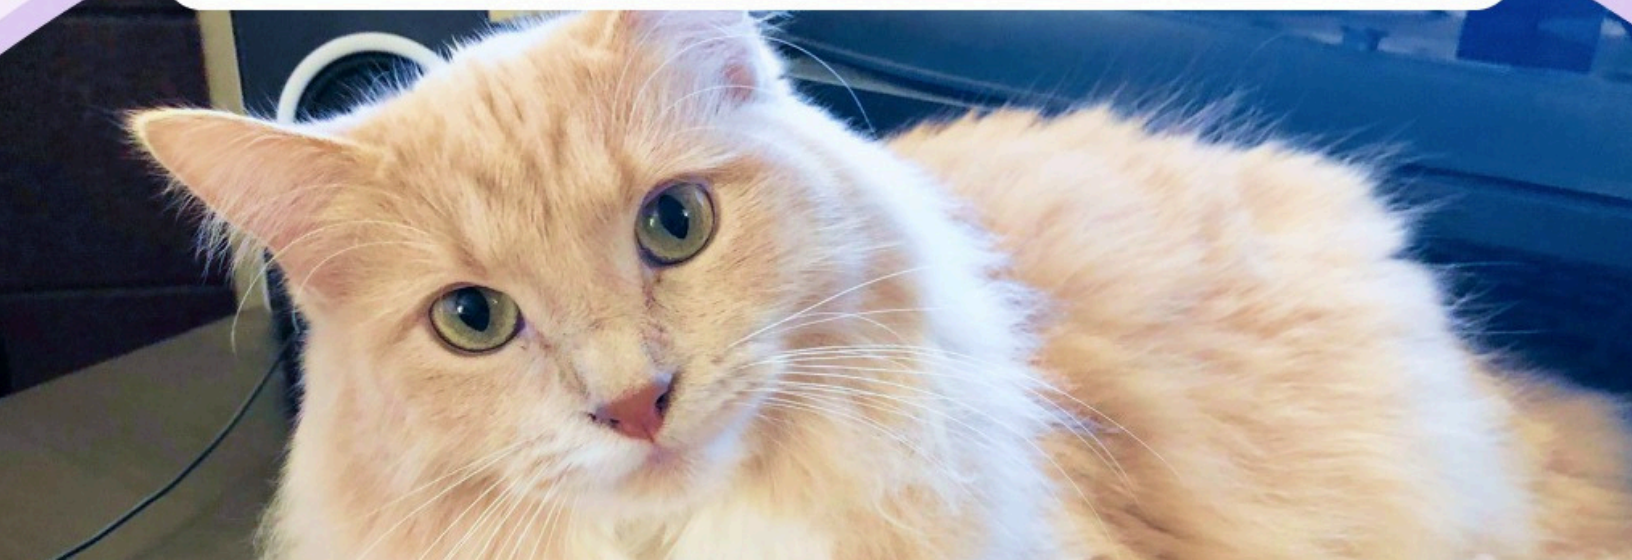

This support plays a vital role in improving animal welfare outcomes while strengthening community engagement through corporate partnership.

Thinking about fostering?

DUE TO HIGH DEMAND AND THE NUMBER OF ANIMALS IN OUR CARE, SOME NEED MORE ATTENTION THAN OUR STAFF CAN PROVIDE. WITHOUT 24/7 SUPPORT, VULNERABLE ANIMALS LIKE NEWBORNS AND THE MALNOURISHED RELY ON OUR FOSTER PROGRAM. GIVING THEM A TEMPORARY HOME GREATLY INCREASES THEIR CHANCES OF SURVIVAL AND ADOPTION.

Volunteer today!

WE LOVE HAVING VOLUNTEERS AND OFTEN RELY ON THEIR HELP FOR THE SUCCESS OF EVENTS AS WELL AS THE HAPPINESS OF THE ANIMALS. TO VOLUNTEER FOR THE SOUTH UTAH VALLEY ANIMAL SHELTER PLEASE FILL OUT AN APPLICATION ONLINE AT SUVAS.ORG.
