A Shelter Update

Spring is here, bringing fresh joy and new beginnings for our furry friends! From adoptions and rescues to our amazing fosters, it's been a month full of hope and second chances.

With events and volunteer opportunities coming up, there are plenty of ways to spread kindness. Enjoy the sunshine, bring a friend (two or four legged), and celebrate a season of renewal and wagging tails!

Meet Sierra

Say hello to Sierra! She's a sweet, fun loving girl, about 3 years old, and all up to date on her vaccinations.

Sierra has been on the lookout for her forever home since September 15th! She's a total sweetheart who's done well with everyone she's met so far, and she even has done well with other dogs at the shelter.

She'd love to meet any furry friends in her future home before adoption, just to make sure it's the perfect match! Could your home be the one Sierra's been dreaming of?

SOUTH UTAH VALLEY ANIMAL SHELTER

ADOPT A KENNEL.

OVERVIEW

This is an opportunity for businesses and organizations to sponsor dog kennels during the 2026 operating year. Kennel sponsorship directly supports the care, adoption readiness, and medical needs of dogs while providing sponsors with high-visibility recognition to an audience of over 10,000 visitors annually.

Each sponsored kennel contributes to:

- Adoption support for every dog housed in that kennel
- Spay/neuter services
- Essential medical care

IMPACT OF SPONSORSHIP

By sponsoring a kennel, partners help ensure that every dog housed in that kennel receives:

- **Adoption fee sponsored for each dog in that kennel**
- **Spay or neuter services**
- **Necessary medical treatment**

This support plays a vital role in improving animal welfare outcomes while strengthening community engagement through corporate partnership.

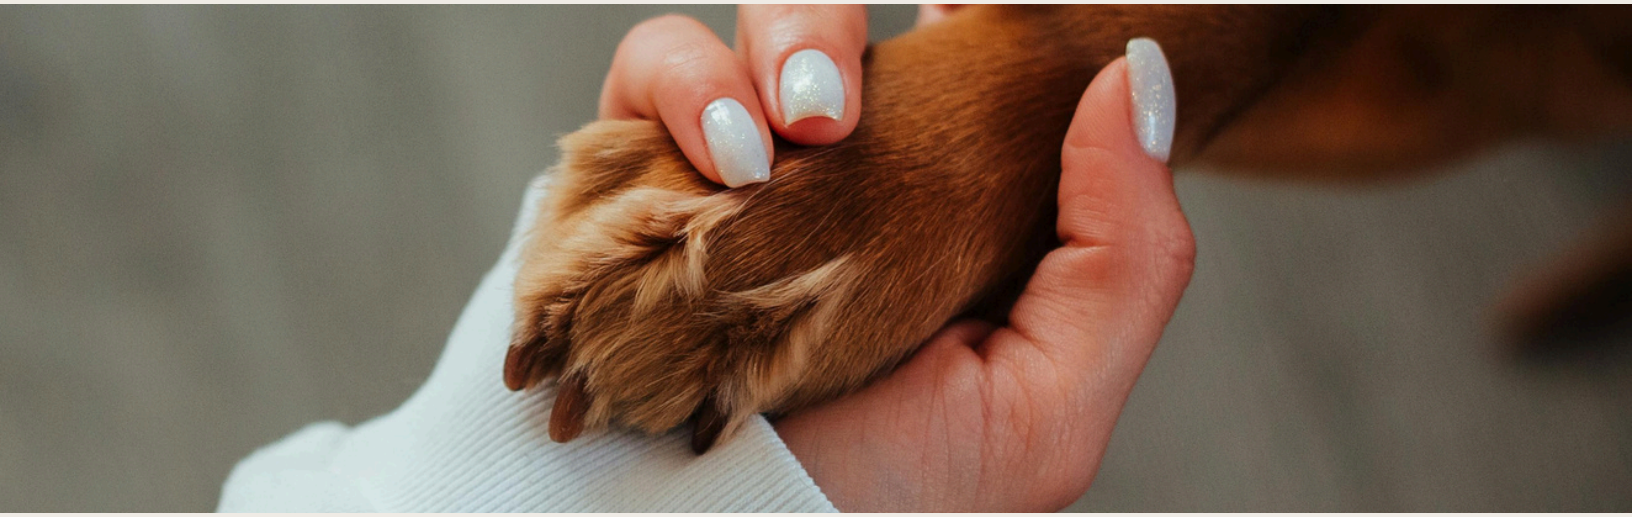
3. **Vuelva** y revise si hay alguna nueva parecida al menos una vez al día.

Thinking about fostering?

DUE TO HIGH DEMAND AND THE NUMBER OF ANIMALS IN OUR CARE, SOME NEED MORE ATTENTION THAN OUR STAFF CAN PROVIDE. WITHOUT 24/7 SUPPORT, VULNERABLE ANIMALS LIKE NEWBORNS AND THE MALNOURISHED RELY ON OUR FOSTER PROGRAM. GIVING THEM A TEMPORARY HOME GREATLY INCREASES THEIR CHANCES OF SURVIVAL AND ADOPTION.



Volunteer today!

WE LOVE HAVING VOLUNTEERS AND OFTEN RELY ON THEIR HELP FOR THE SUCCESS OF EVENTS AS WELL AS THE HAPPINESS OF THE ANIMALS. TO VOLUNTEER FOR THE SOUTH UTAH VALLEY ANIMAL SHELTER PLEASE FILL OUT AN APPLICATION ONLINE AT SUVAS.ORG.
