A Shelter Update

August is here, bringing warm days, late summer adventures, and new opportunities to make a difference! From heartwarming adoptions and rescues to the incredible care provided by our fosters, this month continues to be filled with hope, love, and second chances. As we soak up the final weeks of summer, we invite you to join us at upcoming events, volunteer opportunities, and community gatherings that help change lives. Whether you're lending a helping hand, opening your heart to a pet in need, or simply cheering us on, you're part of giving every animal the chance they deserve. Here's to a wonderful August filled with wagging tails, fresh beginnings, and happy endings!

Longest Resident

Meet Harley.

Harley is a beautiful adult Great Dane/German Shepherd mix with a gentle heart and a sweet personality. She came to us through no fault of her own after her previous family made the difficult decision to surrender her when they could no longer afford her care. Since arriving at the shelter, Harley has been friendly and affectionate with both staff and volunteers. She also spent a few weeks in a foster home, where she impressed her foster family by appearing to be potty trained and getting along well with their two resident dogs. Harley is looking for a loving family that can give her the stability and care she deserves. If you're searching for a loyal companion with a kind nature, Harley may be the perfect addition to your home. Come meet this wonderful girl and see if she's the missing piece of your family!

SOUTH UTAH VALLEY ANIMAL SHELTER

ADOPT A KENNEL.

OVERVIEW

This is an opportunity for businesses and organizations to sponsor dog kennels during the 2026 operating year. Kennel sponsorship directly supports the care, adoption readiness, and medical needs of dogs while providing sponsors with high-visibility recognition to an audience of over 10,000 visitors annually.

Each sponsored kennel contributes to:

- Adoption support for every dog housed in that kennel
- Spay/neuter services
- Essential medical care

IMPACT OF SPONSORSHIP

By sponsoring a kennel, partners help ensure that every dog housed in that kennel receives:

- Adoption fee sponsored for each dog in that kennel
- Spay or neuter services
- Necessary medical treatment

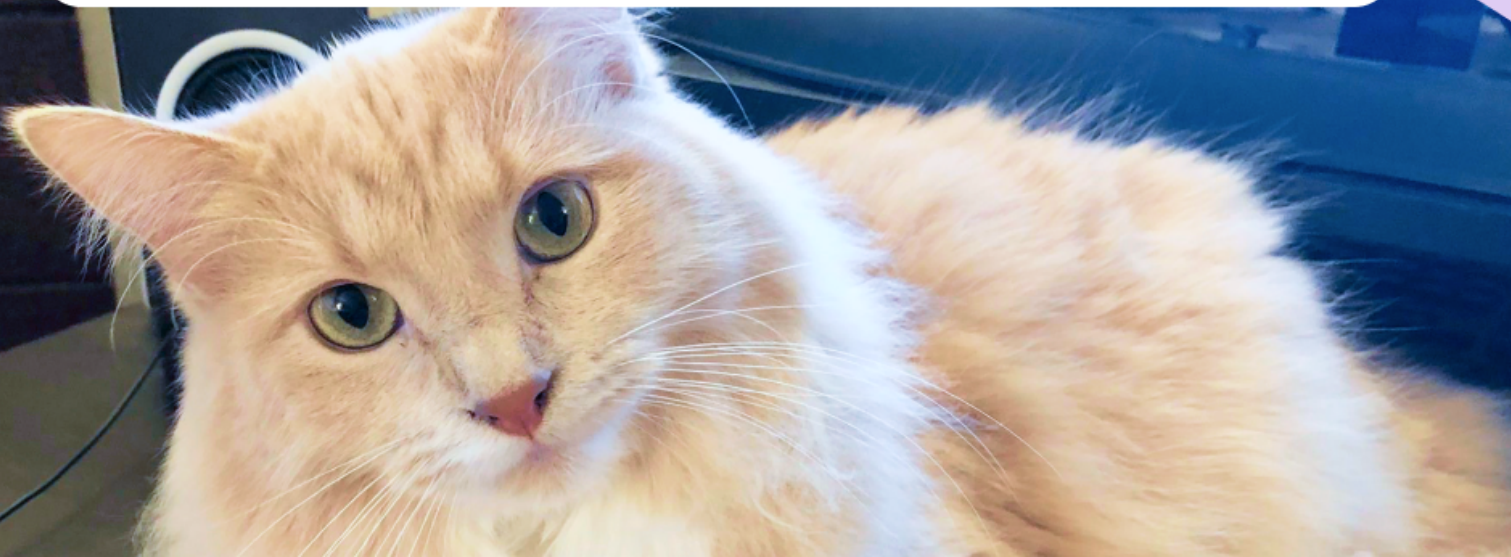

This support plays a vital role in improving animal welfare outcomes while strengthening community engagement through corporate partnership.

Lost or found a pet?

- 1 Visit petcolovelost.org
- 2 Search for matches with a photo of the pet
- 3 Make a report if you do not see a match
- 4 Check your New Match Alert notifications

¿Ha perdido una mascota?

1

Visite petcolovelost.org

2

Busque a su mascota utilizando una foto. Si no encuentra ninguna que se parezca, asegúrese de crear un reporte. Es rápido y seguro.

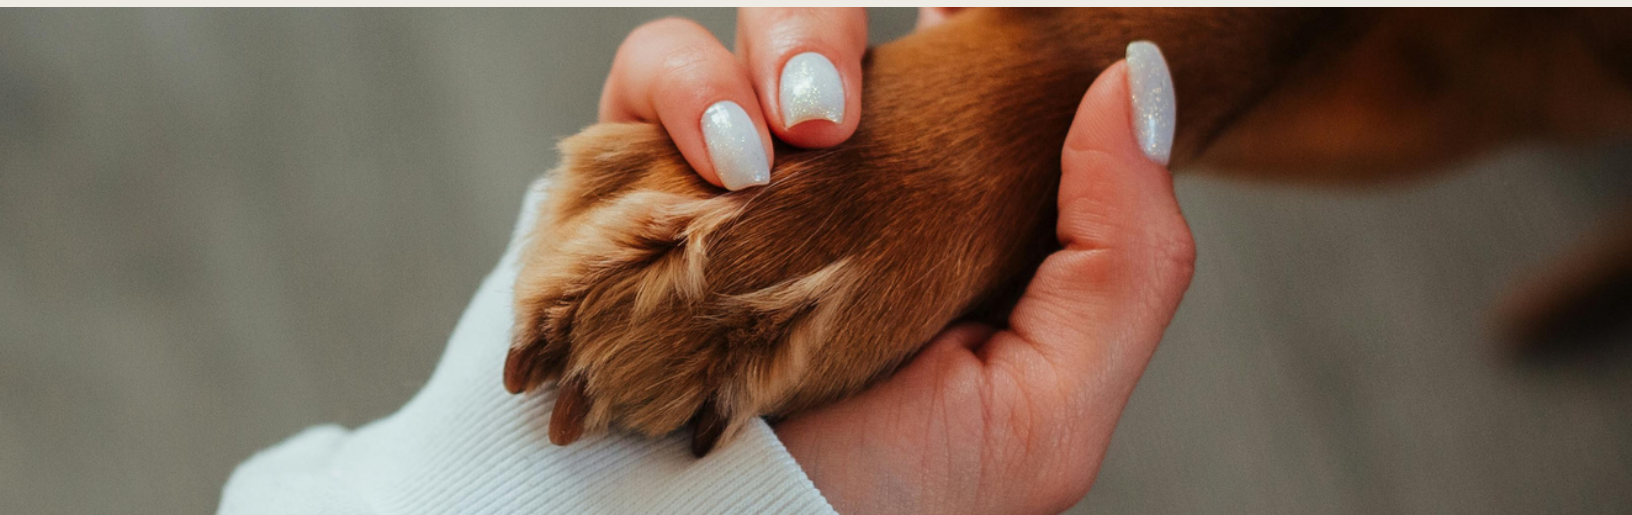

3

Vuelva y revise si hay alguna nueva parecida al menos una vez al día.

Thinking about fostering?

DUE TO HIGH DEMAND AND THE NUMBER OF ANIMALS IN OUR CARE, SOME NEED MORE ATTENTION THAN OUR STAFF CAN PROVIDE. WITHOUT 24/7 SUPPORT, VULNERABLE ANIMALS LIKE NEWBORNS AND THE MALNOURISHED RELY ON OUR FOSTER PROGRAM. GIVING THEM A TEMPORARY HOME GREATLY INCREASES THEIR CHANCES OF SURVIVAL AND ADOPTION.

Volunteer today!

WE LOVE HAVING VOLUNTEERS AND OFTEN RELY ON THEIR HELP FOR THE SUCCESS OF EVENTS AS WELL AS THE HAPPINESS OF THE ANIMALS. TO VOLUNTEER FOR THE SOUTH UTAH VALLEY ANIMAL SHELTER PLEASE FILL OUT AN APPLICATION ONLINE AT SUVAS.ORG.
